# 2011 AAA Lobby Days

**March 1-2, 2011**

Office of Patton Boggs – 2550 M Street NW  
Washington, DC

With the single largest Health Care legislation since the inception of Medicare being discussed on Capitol Hill, the largest turnover of representatives since 1913, now more than ever we need you to get involved in advocating on issues that have a direct effect on your organization. This AAA meeting is the perfect opportunity for you to meet on important issues with your Members of Congress and their staff as the House and Senate convenes for the First Session of the 112th Congress. While the focus of your visit in Washington, DC will be on lobbying, we will also be holding an AAA Board of Directors meeting which will include a briefing from our lead lobbyists at Patton Boggs. This is an event you will not want to miss!

The timing of this meeting is ideal for advocating a number of critical initiatives:

- *Long-term Medicare Relief*
- *Fractional Mileage*
- *Public Safety Officer Benefit*
